

# dog wash routine maintenance checklist

# daily

- ✓ quick wipe-down of surfaces  
(tub walls, floor area)
- ✓ check soap levels and refill if  
necessary
- ✓ empty hair traps if your  
location sees high usage

# weekly

- ✓ deep clean the tub with a non abrasive cleaner
- ✓ inspect hoses, sprayers, and seals for wear
- ✓ clean and check the coin token/card reader (if installed)

# monthly

- ✓ check for clogs in drainage
- ✓ test water temperature controls
- ✓ inspect branded graphics for peeling or damage

**convenient,  
profitable, &  
built to last.**

**puppered**  
pet hygiene, perfected.
