

## kennels

# stackable, durable, & pet-safe

Designed for grooming salons, boarding facilities, and veterinary clinics, our commercial-grade, stackable kennels prioritize durability, hygiene, and pet comfort.

## what's included

✓	heavy-duty, anti-corrosive construction - built to last with durable, rust-resistant materials
✓	rolling frame with locking casters - easy to move and secure in place for stability
✓	one-hand door latches - effortless operation for quick access and secure closure
✓	lift-off hinges - convenient design for easy deep cleaning and maintenance
✓	removable sliding aluminum waste pans - non-corrosive and easy to clean for superior hygiene
✓	anti-microbial, self-draining removable kennel floors - designed for optimal sanitation and pet comfort

kennels priced from \$3,495 – \$4,295
